hereby attest that the

## Taiwan Testing and Certification Center (ETC)

### ETC CMS Optical Laboratory

4F, No. 8, Fuxing 3rd Rd., Guishan Dist.,  
Taoyuan City 333001, Taiwan (R.O.C.)

has established and applies a quality system for

### CMS Testing of Components

according to following standards:  
UN Regulation No. 46.06 (components),  
ISO 9241-302:2008, ISO 15008:2003, ISO 11452-4:2005/2009,  
ISO 16505:2015, ISO 13406-2:2001, ISO 14524:2009

An assessment of the laboratory was carried out according to the  
requirement of the QMS documentation of TÜV Rheinland Kraftfahrt GmbH,  
MS-0000486 and MS-0011138 with reference to ISO/IEC 17025:2017 by a  
TÜV Rheinland auditor.

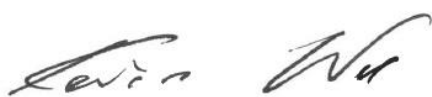

Proof has been furnished that the requirements according to

### UN-R46.06 series of amendment

are fulfilled at the time of the audit performed.  
According to the positive result of the evaluation,  
ETC CMS Optical Laboratory is accepted as  
a suitable supplier to carry out certain test work by order and under supervision of  
the designated Technical Service Type Approval Components of  
TÜV Rheinland Taiwan Ltd.

This statement is valid until the next scheduled audit or up to 24 months at the discretion of TÜV Rheinland.
